Wab Kinew - "Heroes" Paroles

I hear a lot of people say that the Native Community needs heroes
well we already have our heroes so let's just take a minute to remember them

And any man who knows a thing
Knows he knows not a damn, damn thing at all
And every time I felt the hurting
I felt the giving getting me up off the wall
I'm just gonna take a minute and let it ride
I'm just gonna take a minute and let it breeze
I'm just gonna take a minute and let it ride
I'm just gonna take a minute and let it breeze

How did Louis Riel become a buffalo soldier?
Stood up to Canada and the father of Manitoba
How did Fontaine get the apology?
He told his story then he said come on follow me
That's to give.... I guess I'll pass it on
Like the teachings past at the Sun Dance before dawn
How did Waneek take a knife to the ribs than represent this country? Damn she forgive
And how does Leonard Peltier get out of bed each day?
Finding hope in the hopeless it's the Indian way
And why did Tommy Prince fight for all Canadian people?
When right here at home he wasn't considered an equal
Overseas he fought with the heart of a warrior
than came back home to be treated like a foreigner
So yeah.... I'ma live real lavish for all the times you called my people savage

How did Kateri know that she should keep up the faith?
Time to put the first native saint in her proper place
How did Buffy Sainte-Marie know to keep on singing?
Bury My Heart At Wounded Knee it keeps on ringing
[How did Freddy Krueger know he had to stand up?](#)
[Since I saw that photo knew I had to man up](#)
How did Peguis know that he should help that white man?
Did he understand that others would take his land?
But damn.... The worst is over now
The bro Adam Beach is on movie posters now
This is Big Wab.... Still reppin' the rez
Though I'm in the city I won't soon forget
What the L has taught me always to share
My people don't want the pride well I don't care
How did K'naan know the world needs this song?
Well I never know the answer so I just sing along like
Yeah
Some true Native heroes right there
If you haven't heard of them learn about them

I'd tell you to go read a book about them
But they don't write about our heroes in the history books
So go ask an elder
Go ask Grandma
Go ask Kookum
better yet ask Wab Kinew
I've got opinions for days
Gladly talk your ear off
And this is just the beginning
This could be a 500 bar song
1 bar for every year of oppression
1 bar for every rhyme i got to make an impression on today's youth
